F. 15 (48)Energy/2014

Jaipur, dated 5/4/16

ORDER

The objective of The Rajasthan Private Electric Supply Undertakings(Acquisition) Act, 1975 was to provide for the acquisition of the Udaipur, Mount Abu & Abu-road Electric Supply Undertakings. This Act was no longer required and relevant and most of the statutory provisions under which this Act was formed had already been repealed by the Electricity Act 2003. The State Government had decided to repeal this Act. Accordingly "The Rajasthan Laws Repeal Act, 2015" had been duly enacted by the State Assembly and "The Rajasthan Private Electric Supply Undertakings(Acquisition) Act 1975" has been repealed.

Due to repealment of this Act, the rules enforceable under this Act are hereby repealed and which have become redundant. The decisions/actions taken by the State Government & Power Companies under these rules shall remain valid and enforceable, despite the repealing of these rules.
