ORDER

During meeting of Corporate Level Grievances Redressal cum Settlement Forum held on 21.02.2013, the issue regarding meter reading of Mobile Tower connections and Wedding House connections were discussed. It was observed that in some cases the meter reading is not taken physically as a result backlog of consumption remains unread and therefore unbilled. This situation is not appreciated. Accordingly, it was decided that in future, being of heavy consumption category, meter reading of Mobile Tower connection and Wedding House connection should be taken by concerned Jr.Engineer of the Sub-division without fail to avoid grievances relating to meter readings and loss of revenue to the Nigam. Further photo of meter displaying meter reading should also be taken in case of all mobile tower connections towards evidence support.

It is enjoined upon all concerned to ensure strict compliance with immediate effect.
