Sub :- Charging 15% supervision charges from UIT, Kota against electrification of schemes developed by them.

The issue related to charging of 15% supervision charges from UIT Kota, was discussed in the 58th DCF meeting held on 29.01.2014 and the following decisions taken:-

- a.) If UIT Kota provides land free of cost to JVVNL/RRVNL for construction of 33KV sub-station / 132KV GSS along with associated colony in the scheme developed by them, as per requirement of the electrification of the particular scheme, then 15% supervision charges for that scheme may not be charged
- b.) If UIT Kota provides land free of cost to JVVNL for construction of 33KV S/S at other places also in their jurisdiction, then 15% supervision charges may not be charged for erection of new lines as well as line shifting works carried out by them.

It is enjoined upon all concerned to ensure strict compliance accordingly.
