ORDER

Sub : Prescribing norms for electrification of Colonies/ Housing Schemes developed by private builders/ Developers/Housing Societies and releasing permanent connections therein.

In order to simplify the procedure for release of new connection in the colonies/housing schemes developed by private developers/colonizers /housing societies etc. and where the developer/colonizer/Agencies are not undertaking the electrification work or has left, procedure was prescribed vide order No.63 dated 08.04.2015 (JPR5-754), prescribing the uniform rate of Rs. 200/- per Sq. yard of the plot area of individual plot holder. Now, it has gathered that field officers are not implementing the provisions of above order in its right spirit. Therefore, it is once again clarified that in such schemes where the developer/colonizer/Housing societies etc. has left and no connection exists or the number of connections released in the scheme are less than 50% of the total plots, as and when any intending applicant applies for new connection, after verification of the above provision, demand notice be raised immediately without waiting sanction of electrification of the scheme and the connection be released after deposition of demand notice and completion of all other required formalities from the existing nearby net-work and scheme be framed subsequently by actual physical survey of the colony by the AEN/JEN concerned as per JPR5-754. The electrification work shall be taken in hand by the Nigam as and when required as per the load requirement and technical parameters of the existing network as per approved scheme of electrification.

The concerned Executive Engineer shall be responsible to get prepared the scheme for electrification of such schemes and get it sanctioned from competent authority within a period of one month of such application received. Further, to avoid any delay, it is also directed that concerned AEN/JEN shall carry out the survey of all such type of schemes in their jurisdiction and get the scheme prepared and get them sanctioned in advance and shall ensure release of connections in such colonies by holding camps time to time.

By order

(A.K. Singh)

Superintending Engineer(Comm1.)
