

JAIPUR VIDYUT VITRAN NIGAM LIMITED

No.JPD/Secy(Admn)/ 799

Jaipur dt: 28.06.2010

ORDER

**Sub: Modification in procedure for grant of sanction/
Execution of agreements in respect of large
Industrial consumers.**

Presently the procedure for grant of sanction for large industrial connections is that for connections having connected load beyond 5000 KVA, the Chief Engineer(Comml) obtains the approval of CMD and communicate the same.

For induction furnace connections, the release of new connection as well as extension in contract demandconnected load cases are processed by CE(Comml) for obtaining approval of CMD.

It has been observed that there is time lag in grant of sanctions and execution of agreements as a result of which the consumers have to face unnecessarily harrasment. There is need to curtail delay element in processing of cases at Corporate level which calls for modifications in existing procedures. Moreover with the inductment of Director(Tech) in the hierarchy, the release of connections can be effectively expedited by utilising his services.

--(2)--

(2)

Henceforth the following revised procedure is prescribed for release of connections beyond 5000 KW connected load.

- i) File for release of connection/increase in load should be moved by the division to ZCE(O&M) instead of CE(Comml).
- ii) CE(O&M) shall forward the case to Director(Tech) for obtaining the sanction of CMD.
- iii) After obtaining the sanction of CMD, the sanction letter is to be issued by the CE(O&M).

Note: In pursuance of decision taken during the meeting of XEn Industrial Areas and with a view to expedite the sanction, cases for sanction of CMD were allowed to be sent by the division directly to CE(Comml). These cases shall henceforth be processed by the division and forward to ZCE(O&M) instead of CE(Comml)

- iv) Pending files for sanction lying with the CE(Comml) are to be processed expeditiously by the Comml Wing as per old procedure. Files lying with CE(O&M) on the date of issue of order shall be dealt as per this order.

Similarly for curtailing delay in execution of agreements in respect of consumers having contract demand beyond 5000 KVA the agreement be executed on behalf of Jaipur Discom by Director(Tech) JVVNL in place of Chief Engineer(Comml.)

Above modifications shall come into force with immediate effect.
