**Sub: Clarification regarding TN-57.**

As per Section-I "Instruction to Bidder" Clause No. 5.0 "Bid Prices" sub clause 5.0.2 clearly stipulates that "The quoted prices(Firm) are inclusive of all applicable tax and duties at the time of bid (detail and rates of tax are attached herewith) any statutory variation and imposing new tax by government shall be on JVVNL account". Further, the Financial Offer Guiding Note clause no. 4 stipulates that "The total quoted price (Firm) should be inclusive of all taxes and duties as per the prevailing taxes and duties with the details of applicable taxes. In case of any variation in taxes and duties or introduction of new taxes and duties/ statutory variations, the same will be in JVVNL account".

**In view of above, it is very much clear that the prices quoted in the BOQ.Xls should be inclusive of all taxes and duties.**
