Amendment against TN-64

In order to have better and wide participation of the bidders against TN 64 for "Revenue Management System (Metering, Billing & Collection) on SAAS (System As A Service) Basis , the following amendments are hereby issued for:

1. Qualification Requirement statement be revised as at Annexure-A
2. In Billing engine, apart from COTS (SAP/ ORACLE), the in House software developed by the bidder is also allowed. Wherever the words SAP/ ORACLE appears in the RFP, the same shall be read as SAP / ORACLE etc. / in-house developed software.
3. In case of quoting in-house software, the bidders shall furnish an undertaking that the software is developed in-house with the internal expertise. The bidders shall also furnish an undertaking that " We undertake that we will maintain the repository of the source code and shall handover to JVVNL at the time of completion of project"

(R.A.Sharma)

Superintending Engineer (IT)

Section 2. QUALIFICATION REQUIREMENTS (QR)

The Bidder must possess following credentials prescribed as Pre-Qualification Criteria. If any bidder fails to fulfil the Qualification Requirement (QR), his bid will be treated as non-responsive and no further correspondence/clarification will be taken into consideration for the same.

Note:

1. In case of non-furnishing the requisite documents along with the bid, the bid will be considered as non-responsive and bid may be summarily rejected.
2. Irrespective of meeting the above qualification requirements, none of the consulting companies engaged by Jaipur Discom as on 20.06.17 for IT Projects can bid for this tender.
